— FOREWORD —

During the War, when unrestricted Life Insurance coverage was unavailable to many Civilian U. S. Government employees who were to serve overseas, this association was founded on a *mutual non-profit basis* to provide such protection. The Equitable Life Assurance Society of the United States entered a contract with your Association at very low rates and with no restrictions as to medical examination, travel, or occupational hazards.

Many thousands of Government employees have availed themselves of this liberal and low cost coverage.

During the first four and one-half years of its existence War Agencies Employees Protective Association has authorized distribution of \$1,208,314.35 in benefits to its beneficiaries and members. The continued demand from its old members, plus the desire on the part of new applicants to obtain similar protection has caused your officers and directors to arrange with the Equitable for the continuance of this protection for the indefinite future. You may continue to enjoy this protection after your return to the United States, and as long as you remain actively employed in Government service, during the lifetime of the Association. Thus a service conceived as a war measure emergency will continue to offer its unusual benefits and low cost coverage in peacetime.

Qualified Government employees will, I feel sure, choose to avail themselves of this most liberal offer.

Sincerely yours,

*Frederick J. Lawton*

FREDERICK J. LAWTON  
Administrative Assistant  
President of the War Agencies  
Employees Protective Association

WAR DEPARTMENT  
WASHINGTON

TO OUR MEMBERS:

I feel so strongly about the need for inexpensive life insurance for government employees assuming overseas assignments that I have accepted the Presidency of the War Agencies Employees Protective Association. If you feel the need for greater life insurance security for your families, I believe it will be to your personal interest to familiarize yourselves with the relatively large amount of life insurance obtainable through this Association for a small premium.

The War Agencies Employees Protective Association was organized early in the war to provide, on a mutual non-profit basis, life insurance for civilian government employees serving outside the continental limits of the United States. It is somewhat comparable to the National Service Life Insurance Program provided for members of the armed forces. The Association, the officers of which serve without compensation, has made an arrangement with The Equitable Life Assurance Society of the United States, one of the country's oldest and largest mutual companies and the originator of group life insurance protection. Many thousands of members already enjoy this low cost protection. I am sure you will want to give this matter your earnest consideration.

Sincerely yours,

ROBERT P. PATTERSON  
Secretary of War,

Ex-President of the War Agencies  
Employees Protective Association,  
1945-6.

March, 1946.

TO ELIGIBLE EMPLOYEES OF THE  
UNITED STATES GOVERNMENT

You may apply for membership and the amount of Group Life Insurance for which you are eligible to be effective as of the date you sign your application.

The background and advantages of membership in the Association are as follows:

On May 21, 1943 a plan of Group Life Insurance was made available to members of the Association under a Master policy issued by The Equitable Life Assurance Society of the United States, one of America's largest mutual companies and the originator of Group Protection.

The primary purpose was to provide membership and insurance to Civilian U. S. Government Employees serving overseas.

This plan is a low cost private arrangement between the Association and the Equitable, rather than a Government financed and operated program.

The Association believes the protection will appeal to Eligible Employees for many reasons:

It provides sound liberal protection.

The rate is low because of the Association's Group purchasing power.

This rate may be reduced by dividends or other benefits paid as determined by the Association, a mutual non-profit organization.

No restrictions have been placed on the payment of benefits. The principal sum will be paid in a lump sum or in instalments over a period of years in the event of death from any cause.

Protection may be continued so long as you continue your premium payments and are a member of the Association in good standing and the member continues actively employed in Government Service whether abroad or in the United States.

The conversion privilege is valuable.

PLAN OF INSURANCE FOR  
ELIGIBLE EMPLOYEES OF THE  
UNITED STATES GOVERNMENT

THE WAR AGENCIES  
EMPLOYEES PROTECTIVE ASSOCIATION

ELIGIBILITY: Membership and Group Life  
Insurance is offered to:

1. All employees of American citizenship now outside the continental limits of the United States, wherever domiciled.
2. All employees located in the United States now in training for duties abroad or awaiting transportation.
3. All supervisory or administrative employees located in the United States who in the normal course of their duties are required to make trips abroad.
4. Directors of training programs for such employees and Home Office Staff of WAEPA.

Membership is limited to individuals in the above classes who are *actively* engaged as employees of the U. S. Government.

You become insured as of the date you apply and no medical examination is required if you subscribe for the insurance within 60 days following the date you are first eligible for membership in the Association. After that time, you can enter the plan only by submitting a medical examination satisfactory to the Equitable.

## PLAN OF INSURANCE

<u>Basic Annual Salary</u>	<u>Amount of Life Insurance</u>	<u>*Monthly Cost</u>
Less than \$3,200	\$5,000	\$6.25
\$3,200 and Over	10,000	12.50

\*In addition an initial \$2 membership fee is required.  
Present monthly cost—subject to adjustment.

For the two fiscal years 1943 to 1945 a dividend return of 35% of total premium contribution was made to members. In the fiscal year 1945-1946 a dividend return of 30% of the total premium contribution has been declared.

YOU MAY SUBSCRIBE ONLY FOR THE EXACT AMOUNT FOR WHICH YOU ARE ELIGIBLE. Increases in the amount of insurance, due to change in salary classification, will be made if you apply in writing for such increased amount within sixty days of the time your basic annual salary is changed to qualify you for increased insurance, provided you are then actively at work on the date you apply; if you are not actively at work, the increase will be made effective upon your return to active service. If you do not apply for the increased insurance within sixty days of the time you become eligible for such increased amount and later wish to have the higher amount of insurance it will be necessary that you submit to a medical examination satisfactory to The Equitable Life Assurance Society at your own expense.

METHOD OF PREMIUM PAYMENT: If the applicant elects to pay by allotment he must make in advance an initial quarterly payment together with a \$2.00 membership fee. This remittance (check, draft or money order) should be attached to the application and forwarded to the Association. This payment is required because the insurance becomes effective as of the date the application is signed and is to carry the insurance in force up until the time the payment of insurance premium by allotment, as authorized by the applicant, becomes operative.

Appropriate allotment forms may be executed by applicants to provide for the payment of the group premium by allotment subsequent to the first quarterly cash payment.

THE WAR AGENCIES EMPLOYEES  
PROTECTIVE ASSOCIATION  
Washington, D. C.

Because of the favorable experience enjoyed over the past five years it has become possible for the Association to provide this very generous and valuable coverage of additional Group Accidental Death Benefit to be in effect from May 21, 1948 to May 20, 1949 and at no additional cost to its insured members. It is hoped and expected that this coverage and practice will be continued through subsequent years. Only catastrophic losses, or very serious deterioration in the international situation, should affect the continuance of this additional benefit. In any event, every insured member will enjoy this additional protection from May 21, 1948 to May 20, 1949.

An individual certificate will be issued to each insured member. In every case the amount of insurance under the Group Accident Policy will coincide with that of the Group Life Policy.

The Group's Accidental Death Benefit ceases on the last day of the Insured's active service, and there is no grace period.

INDIVIDUAL CERTIFICATES: In accordance with the terms of the policy between the Association and the Society, an individual certificate evidencing the insurance will be issued to members insured under the plan. The certificate will show the name of the insured, the beneficiary and the amount of insurance. It will be sent by registered mail, as directed by the member.

DEATH BENEFIT: In the event of your death FROM ANY CAUSE WHATSOEVER, while you are insured, under this policy, the full amount of life insurance is payable to the person you have named as your beneficiary. You may change your beneficiary at any time by filling out a request form and sending it to the Association. You may have more than one beneficiary, if you wish.

You should indicate on your application whether your insurance shall be payable to your beneficiary in a lump sum, or partly in a lump sum and the remainder in instalments, or all of it in instalments. The fund held by the Equitable from which instalments are paid will be credited with interest annually.

CONVERSION: Your Life Insurance automatically terminates thirty-one days after termination of membership WHICH COINCIDES WITH THE LAST DAY OF YOUR ACTIVE EMPLOYMENT WITH THE U. S. GOVERNMENT NOT INCLUDING TERMINAL LEAVE. You will be entitled to have issued to you, without medical examination, provided you make application to the Equitable in writing within thirty-one days after the termination of your active employment, a policy of Life Insurance in any one of the forms customarily issued by the Equitable (except Term Insurance, or a policy providing benefits in the event of total and permanent disability or additional benefits in event of accidental death), in an amount equal to — or, at your discretion, less than — the amount of your protection under the Group Life Policy, but not less than \$500, upon the payment of the premium by you applicable to the class of risk to which you belong and to your age at the time of conversion, such policy to become effective at the end of thirty-one days after termination of membership.

TERMINATION OF MEMBERSHIP AND

INSURANCE: A member may discontinue membership and insurance by resignation. Membership and insurance will also terminate upon retirement, separation from U. S. Government service, or non-payment of premiums.

Pensioners on retirement pay are ineligible from date of retirement from active service.

HOW TO APPLY

1. Tear out center spread and complete the application form.
2. Have your application certified by your supervisor. Your insurance is in force from the day you sign up and arrange for transmission of the application to the Association with your first payment.
3. Make certain that the application is complete in all details, that you are applying for the correct amount of insurance and that the payroll allotment form has been properly filled out if you are using the allotment method. There is no option with respect to the amount of insurance. You must apply for the full amount to which your salary class entitles you.

The rules of the Association may be amended from time to time by action of the Board of Directors.

Once having been a member of the War Agencies Employees Protective Association, and having exercised the conversion option in the Group Certificate, the applicant will be ineligible to rejoin the Association or procure any further benefits as issued by them.

On, and after, September 24, 1947, applications for membership and life insurance benefits as issued by the War Agencies Employees Protective Association will be limited to applicants who have not attained the age of sixty years.

As of March 17, 1948 membership in the War Agencies Employees Protective Association, and insurance benefits as issued by them, shall cease upon all members who have attained the age of sixty-five years with the exception of those members currently insured who have already attained the age of sixty-five.

Special Message To Members—

These are times when the increasing cost of living have caused many of us to realize that our dependents might be faced with a serious financial problem. By making your monthly payment of only \$12.50 you have immediately created a fund of \$10,000., which might go far in meeting certain of the fixed charges for rent, food, clothing, recreational, educational and medical expenses of your family.

We frequently receive inquiries from Government employees stationed abroad who tell us they were not informed about our Association before proceeding overseas and have learned about our offer through associate workers. We have made every endeavor to obtain complete distribution through the various personnel departments of every branch of the U. S. Government, but because of the constant shifting it is sometimes difficult to obtain one of our descriptive pamphlets. We would consider it a great favor if you could ascertain whether the personnel officer at your post is familiar with our plan, and has a supply of pamphlets available.

In every group insurance plan it is both desirable and profitable to all the members to procure the highest percentage of participation which spreads the risk and reduces the cost. The Association, therefore, solicits your cooperation and would greatly appreciate your active aid in carrying our message and information to your associate workers of the benefits you are enjoying.
